

Electronic W-2

Register to receive your 2011 W-2 electronically!

The IRS has approved the delivery of your W-2 statement online if you provide your consent. The electronic W-2 will be available about two weeks before the traditionally mailed W-2.

If you elect to receive your W-2 online, you will not receive a mailed copy. An email notification will be sent to you when the W-2 is available for retrieval.

Enrollment will be open through the Lawson Portal Employee Self Service from January 3rd through January 11th!
